

# Optim Orthopedics

For my career in the future, I would like to be a physical therapist, so I chose Optim Orthopedics. I also know many parents of my soccer teammates that work there as doctors and really enjoy it. Their mission statement is: To provide our patients with the highest quality care in surgical, hospital, clinical, diagnostic and therapeutic services with convenience, cooperation, efficiency and cost effectiveness in a comfortable and pleasant environment. Optim's comprehensive sports medicine program is the only one in Southeast Georgia that gives athletes a baseline neurological test. They have many athletic trainers at schools like: Savannah Country Day, St. Andrews, St. Vincent's, and Georgia Southern. Some of their goals include: to maintain high standards of quality patient care, to maintain and enhance employee productivity standards, and to provide physical and emotional support to patients and their families.

The screenshot shows the Optim Orthopedics website homepage. At the top, there is a navigation bar with the Optim logo on the left and links for HOME, CONTACT, OPTIM PORTAL, EMAIL SIGN UP, a search bar, and social media icons for LinkedIn and Facebook. Below the navigation bar is a horizontal menu with links for PHYSICIANS, SERVICES, LOCATIONS, PATIENT SUPPORT, ABOUT, TESTIMONIALS, VIDEOS, and JOIN OPTIM. The main content area features a large banner with the text "Doctor Led. Patient Focused." and "The Region's Premier Orthopedic Surgeons". Below this text is a photograph of four male doctors in white lab coats. Underneath the banner, there are four columns of content: "Optim's Physicians" with a "Learn More" button, "Orthopedic Urgent Care" with an "Urgent Care Hours" button, "Find a Location" with a "Find Us" button, and "News & Events" with a "View All" button. The "News & Events" section lists three items: "Brii Tips on Staying in Shape During TN...", "Celebrate Brain Awareness Week: 5 Tips...", and "Charles A. Hoop, II, MD was presented w...".
