

# eThree Media

If I am still living in Savannah in 10 years, I could potentially work for eThree Media. eThree is a Savannah-based video production and web design company. The company has been around for 14 years and has worked with several local businesses such as Saint Joseph's Candler and International Paper. eThree has even received national attention after one of their commercials went viral. Considering that I am working towards a career in the film industry, working for eThree Media or another one similar to it would fit my interests perfectly, as well as give me experience in my field. If I am still living in Savannah by 2024, I may consider work for eThree.

The screenshot shows the eThree Media website homepage. At the top, there is a navigation menu with links for HOME, ABOUT, NEWS, BLOG, WORK, OTHER SERVICES +, CONTACT +, SUPPORT, and CLIENT AREA. A login form is visible in the top right corner with fields for User Name and a password field, and a LOG IN button. The main content area features a large banner for Savannah-Chatham County (SCCPSS) with a video player that has been restricted. To the right of the banner is a section titled "Video. Web. Done Right." which contains a paragraph about the company's services and a paragraph about their business philosophy. Below this is a "Latest News" section with a date of Oct 12, 2014, and a headline "2014 Ocean Exchange" with a short paragraph about the company's partnership with the Ocean Exchange. At the bottom left, there is a "Online Video Facts" section with a statistic: "Consumers watch videos 60% of the time, and 52% are less likely to return a product after viewing a video." The footer contains the company's address (1201 Jefferson St., Savannah, GA 31401), phone numbers (912.238.1933 office, 912.234.3360 fax), and social media icons for Facebook, Twitter, and YouTube.
